

Music changes the world

Jim Papoulis

Ooh Ooh

1. There must be a way to change the world to join our hearts and find a hope,
There must be a way that we can see the simple truth, music changes the world.

2. There must be a way that we can sing and show the world what we can be,
There must be a way that we can see the simple truth, music changes the world.

3. If we want to change,
We will have to learn
we can overcome one by one;
Lift each other up
And we can believe in a world that can be

4. There must be a way to change the world to join our hearts and find the hope
There must be a way that we can see the simple truth music changes the world.

5. There must be a way to change the word to join our hearts and find the hope,
There must be a way that we can see the simple truth music changes the world,

6. There must be a way that we can learn to join our hands and stand as one
There must be a way that we can see the simple truth
We know he's there !
And as we sing
Music changes.....the world.

There must be a way..... to change the world.
